

Due to illness, disability, or being away for extended periods of time, some of our members are unable to manage their financial affairs in a timely manner. Our Third Party Notification Program permits these members to designate a third party—a relative, friend, clergyman, social service agency—who will be notified of past-due bills

Once we inform the third party, he or she can then help arrange payment and ensure continued service. Naturally, the third party is in no way obligated to pay the bill

If you or someone you care about could benefit from this program, please fill out this card and mail it to: Mecklenburg Electric Cooperative, Post Office Box 2451, Chase City, Virginia 23924 or include this card with your next electric bill payment.

Let us help you help someone you love!!
