

# MEC Nominating Committee Announces Candidates

**M**ecklenburg Electric Cooperative's (MEC) Nominating Committee, comprised of 11 members of the Cooperative, met on March 24 at MEC's Headquarters office in Chase City to consider candidates to serve on the board of directors. Each candidate was interviewed; and after discussion, the committee nominated the candidates listed below to serve three-year terms. No further nominations were submitted for consideration.

**David C. Hall**  
**District #2**

David Hall has been selected by the Nominating Committee to fill the expired term of John L. Waller, who is retiring from the board. David is a retired construction project manager and operates a small cow/calf farm in the Hurt area.

"My wife Janna and I have lived on Mecklenburg Electric Cooperative lines for close to 30 years," he says. "During that time I have always felt fortunate to have such a reliable electric power supplier. Every director or employee that I have spoken with is passionate about serving MEC's members. The opportunity for me to become a director is a great honor; and it will be my privilege, if elected, to serve the membership of MEC to the best of my ability."

The district where David lives includes Renan, Stovall, Mt. Airy, Chalk Level, Cedar Forest, Straightstone, Level Run and Grit.

**Brandon G. Hudson**  
**District #5**

Brandon Hudson is a self-employed attorney in the town of Halifax. He has served on the MEC board since 2005, representing members around Denniston, Aarons Creek, Redbank, Harmony, Hitesburg, Midway, Moffett, Centerville and Highway 15 north to Clarksville.

"I sincerely believe that our Cooperative puts the members' needs first in providing safe, affordable and reliable electricity," says Brandon. "Our Cooperative is well managed and strives to earn its members' support and respect daily. I take pride in our Cooperative's commitment to provide top-notch customer service."

He and his wife, Ami, live in Virgilina. Brandon holds a Master of Divinity degree and offers supportive resources for ministers and their families through Ministering to Ministers Foundation.

**Fletcher B. Jones**  
**District #7**

Bob Jones is an insurance producer with Watkins Insurance Agency in South Hill. He has served on the MEC board since 1986 and represents members around Rehoboth, Traffic, Palmer Springs, Smith Store, Keats, Paschall, Eppes Fork, Phillis, Antler, Muck Cross, Callahan's Corner, Norvelle and Finchley.

"It is both an honor and privilege to represent and serve the members of MEC on the Cooperative's board of directors," he says. "Working with our dedicated team of talented employees and my fellow directors ... we are committed to providing the membership exceptional electric service at an affordable price. It is the common goal of all of us who work for the members that those we serve take pride in their ownership of Mecklenburg Electric Cooperative."

He and his wife, Robin, live in the Palmer Springs area. They have two daughters, Juli and Jade.

**Angela B. Wilson**  
**District #11**

Angela Wilson is superintendent for Greenville County Public Schools. She has served on the MEC board since 2008 and represents MEC members who live in the areas east of Emporia including Grizzard, Adams Grove, Mason, Claresville, Bryants Corner, Green Plain and Slagles Lake.

"Mecklenburg Electric Cooperative provides old-fashioned values coupled with modern-day methodologies," she remarks. "It is a pleasure to be a member, to serve on the board and to represent the interests of fellow members."

Angela also serves on the board of directors for Greenville Memorial Hospital Foundation and Southern Dominion Health Systems. She takes great interest in the Emporia Boys and Girls Club where she serves on its board of trustees. She has one son, Matthew, and lives in the Emporia area.

**IT'S  
ANNUAL  
MEETING  
TIME!**

Once a year Mecklenburg Electric Cooperative holds a very important meeting. It's YOUR meeting because it brings you up to date on Cooperative operations and other business.

Your presence counts — your vote counts. Don't miss this special opportunity to help keep your Cooperative working for your benefit and your community!

Remember — you have a voice and a vote in Cooperative matters. Because we're locally owned and operated, we can better serve you; and that makes us different from other kinds of electric utilities ... DELIBERATELY different. Be sure to spend some time reviewing our annual report inserted in the center of this magazine to discover all the ways Mecklenburg Electric Cooperative is deliberately different in how it serves you.
