

Unclaimed Capital Credit Retirement Checks

Published below are Mecklenburg Electric Cooperative Members who received power in 2001 for whom we have capital credit retirement checks that were never cashed. ODEC capital credits also are included in this list, for patronage during the years 1986-1990 and part of 1991.

In order to claim your check, please call 434-372-6149 Monday through Friday, 8 a.m.-5 p.m., or email capitalcredits@meckelec.org.

All claimed checks will be written and mailed weekly.
